paul had never been to colossae but he d heard from a good friend that the church in that city was blossoming in faith and love they d been rooted in christ but young churches had been misled before paul desperately wants to encourage the church and head off any persuasive arguments from false teachers so he writes them a letter the brief book of colossians is all about who we are in christ this volume is a verse by verse study of the book of colossians expositors have differing views on the relative importance of the letters of st paul many do not consider the letter to the colossians to rank high in that echelon i beg to disagree i do not believe that there is more urgent and important writing in the bible than the book of colossians it does not deal with the fundamentals of justification and the simple layout of the bases for the faith as romans does and it does not build the masterful case for the sanctification that christ has provided by the cross as the book of hebrews does in that regard i do not say that colossians are more important than romans and hebrews even so the subject taken up by colossians and how it impacts the modern church and the problems that we face in the age of reason ranks it as a book of unexcelled urgency in my view colossians teaches us plainly that outside of christ there is no wisdom and understanding that has any merit either for the present or the future it firmly establishes the truth that christ the triune god in bodily form created all things and that all things consist in him all wisdom and knowledge that has any merit are in christ this means positively everything the church cannot stop the world from blaspheming god and coming up with evil theories of origins and we should not try what colossians is teaching us is that for the christian and the church of the living god it is important to understand that all truth in existence not only in this universe but in heaven comes from christ

in a world with a religion to meet every diverse mood today s christians are no different from those of ancient colossae fighting jewish legalism mixed with eastern philosophies and gnosticism paul called on the colossian church to stop partaking in the misguided religious practices of their day and to find the one true faith in his profound scholarly letter paul warned the people of their heretical practices his prevailing theme is the preeminence of christ paul knew that if the colossians grasped even a glimpse of the fullness of god they would seize hold of their true identity and stop looking elsewhere for spiritual fulfillment in this bible study based on his original commentary on colossians seasoned pastor dr warren wiersbe challenges twenty first century believers in another age of religious tolerance using paul s response to heresy as one example you will learn how to respond diplomatically yet boldly to the falsehood that aims to corrupt our faith today

jesus christ is the creator and sustainer of all things but he must also be the focus of a believer s life this study teaches how to keep jesus christ as your central focus when the church seems to pursue everything except him you ll see clearly why secular psychology legalism mysticism and asceticism are not helps but diversions and detours in your quest for spiritual maturity your resolve to pursue a passionate relationship with christ through his word will increase as
